ATTORNEYS AT LAW

Corporate & Commercial

Our expertise in corporate and commercial range from establishment of local entities, green fields, corporate governance (including assistance in shareholders and board of directors meetings, director's liability, minority shareholders rights and shareholders' disputes) to joint ventures for a wide range of clients and in a wide range of industry sectors.

We assist local and international corporations in all phases of a firm's cycle.

We have an extensive experience in negotiating, drafting and reviewing international contracts, developing expertise in every major industry, including financial institutions, corporate disputes, commercial contracts, domestic and international joint-ventures, spin-offs and divestitures, consumer goods and day-to-day operations.

We are active in domestic and cross-border corporate transactions – major mergers, acquisitions, and joint ventures, as well as equity investments.
